EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In line 1 of claim 31, delete "1" and insert -30--therefor

In line 1 of claim 32, delete "2" and insert -31-- therefor

In line 1 of claim 33, delete "1" and insert -30-- therefor

In line 1 of claim 34, delete "1" and insert -30-- therefor

In line 1 of claim 39, delete "1" and insert -30-- therefor

2. The following is an examiner's statement of reasons for allowance: Applicants have claimed fabric care compositions comprising a cationic silicone polymer comprising one or more polysiloxane units and one or more quaternary nitrogen moieties, wherein the one or more quaternary nitrogen moieties are located in the backbone of the polymer. The cationic silicone polymers of the present claims are known compounds for use in hard surface cleaners, shampoos, and dishwashing compositions (see cited prior art). However, the prior art does not teach these compounds for use in fabric care and such an application would not be obvious to one of ordinary skill in the art absent any suggestion from the prior art. Accordingly, the present claims are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
